

# animal aid puppy preschool

**Animal Aid Veterinary Clinic** regularly runs a puppy preschool for pups under 16 weeks of age. Qualified Veterinary nurses give advice on all aspects of raising your puppy including socialization, basic training, nutrition and healthcare.

Puppy preschool provides a safe environment for your puppy to interact with other puppies of a similar age.

For more information, please contact the clinic on **(03) 9739 0500** or [vet@vaat.org.au](mailto:vet@vaat.org.au)
